

## NMF-WO2-BLANK-CP-WT

### NIKOMAX Optical wall outlet enclosure

Optical wall sockets are designed to pull the cable out of the wall and connect various terminal equipment to it. It can also be used as a small wall cross. The case of the outlet is made of high quality white. Inside there is a place for laying the cable and two seats for single SC or dual LC adapters. The cable is inserted through a hole in the bottom of the outlet, or one of the connectors.

Suitable for simplex SC or duplex LC adapters. Adapter may be installed in the deep of the box to hide the plug inside

Angled adapter position for accurate cord guidance directly over the surface

Holders for laying spare cable with observance of necessary bending tolerances

NMF-WO2-BLANK-CP-WT

### Set Content:

	NMF-WO2-BLANK-CP-WT
Box with cover	1 pc.
Screws	2 pcs.
Bolts	2 pcs.

### Specification

Part number	NMF-WO2-BLANK-CP-WT
Temperature ranges	Storage from -40 to +70 ° C. Installation from 0 to +50 ° C. Operation from -10 to +60 ° C
Warranty	1 year
Installation	Wall
Color	White
Dimensions (WxHxD), mm	40x70x30
Packaging	Individual - PE bag
The number of slots for adapters	2
Type of supported adapters	Simplex SC or duplex LC
Plastic material	Complies with UL94V-0
